

## **Blessed With A New Job**

"Pastor Peter, Thank you for your committed teaching on Tithing. Something I never took seriously until I started to attend the Rock.

And I can kick myself for waiting this long and missing all the opportunities the Lord could have put my way if I had been more committed and faithful in my tithing.

Over the last six months when I got really serious and committed to give back to the Lord, he has opened doors that were previously closed to me and blessed me with THOUSANDS. I am a single mother with a single income and the Lord has provided funds that have allowed me to pay off all my debtors, increase my mortgage payments and still he keeps blessing me. Last week I received a phone call from a colleague who had left the company I worked for, asking for my CV. I was not looking for a new position but the Lord was starting to open my eyes on the price my family was paying for my high stress & demanding job.

I sent the CV and prayed. This morning I was asked to join a new company with a very generous salary package and a much lighter work load. I feel the Lord is asking me to make this change to free me up for His work. So I am watching and waiting with excited trembling for what He has in store for me and thank Him daily.

But thank you for your teaching. With the movement of a small pebble an avalanche can follow. And avalanches have a habit of changing YOUR HORIZON."
